Dear Parents,

Last week provided a number of staff members with the opportunity to find out a little more about the children we work with every day in Years 5 and 6 and provide some learning experiences for them they are not able to provide in a normal day at school. **Camps** are very demanding school activities but the skills and attitudes the children can develop make them very worthwhile. These experiences demand staff to put their own life on hold for the duration of the camp, my sincere thanks to **Amanda Oregioni, Ray Walters, Vanessa Byrne** and **Rob La Roche** for their unwavering commitment to the children to ensure these learning opportunities are provided.

From all accounts, the **Year 6** children were fantastic on camp in the way they worked through a range of challenging experiences to develop their own self confidence and group working skills, while maintaining their sense of humour. The **Year 5** children should also be commended for the manner in which they approached a range of unfamiliar experiences including: surfing at the mouth of Margaret River, horse riding and meeting their “pen pals” from St Thomas More Catholic Primary school in Margaret River. My thanks also to the group of parents who joined us on the Year 5 camp and assisted by ensuring we were all well fed to keep our energy levels up for what was a very busy camp.

After a very full process, in conjunction with the School Board, I am pleased to announce that we will be establishing a **“Before and After School Care”** programme at our school for the 2016 school year. We have committed to the programme for 12 months in the first instance, and provided it continues to financially viable, the programme will continue beyond next year. The initial numbers reflecting the families who have committed to the programme are at the very minimum end in relation to its financial viability so we will just need to see how things progress next year. The details for the programme include:

**Provider** – Camp Australia  
**Venue** – School Hall  
**Times** – Starting at 7am for the morning session and finishing at 6pm in the evening  
**Cost** - $18 for a morning session and $27 for an afternoon session (I believe every family is entitled to a 50% government rebate on these charges)  
This programme has been outsourced to **Camp Australia** and the families who use this programme will be expected to communicate directly with the company, contact details will be passed out to the community in the near future.

As we reach the halfway stage of Term 4, it is time for me to announce some staff changes for 2016. **Amanda Oregioni** and **Vanessa Byrne** will both be leaving our community at the end of this year to join the staff at a new school in Piara Waters, **John Bosco College**. Amanda has been attracted to the new school by the possibility of a leadership role in the near future and Vanessa has been employed as a graduate teacher after recently completing her teaching degree. These 2 ladies have contributed an enormous amount to our community over the past 2 and 5 years respectively and I would like to sincerely thank them both for everything they have contributed and wish them well for the future.
From the Principal (continued)

We have recently completed an exhaustive process to appoint Stephanie Correia to a teaching position next year and Kathy Pratley to the vacant Education Assistant position, congratulations to both ladies and we look forward to welcoming them into our community. We will also be welcoming Sabrina Reardon back into our community at the start of 2016 as she returns from maternity leave. Sabrina will be replacing Sandra Leavy who has been in a temporary role for the past couple of years. Sandra has made a wonderful impression on our community in that time and we look forward to her returning in some capacity in the near future. I hope to be in a position to announce the Our Lady of Fatima staff for 2016 and their specific roles to the community in the next edition of our newsletter in a fortnight’s time.

Today we chose to commemorate Remembrance Day by inviting a group to portray the ANZAC story in a one hour presentation on our grassed area at the front of the school. “Sydney or the Bush” came to visit with a horse, donkey, sheep and a red cloud kelpie. Sydney and his partner portrayed the Anzac story in a manner that incorporated all the animals and gave the children a great insight and visual representation of the story.

As the end of the year approaches rapidly and we prepare for the community AGM’s for the P&F at 6pm and the School Board at 7pm on Tuesday 1st December it has become apparent that there will be a number of School Board and P&F executives positions available. The nomination forms have been disseminated to the school community and I encourage parents to consider putting their hand up to assist us to provide the best opportunities for the children at our school.

This morning provided a great opportunity to welcome a number of new families into our community at the Parent Information Meeting for the Kindy cohort for 2016. Lisa McCarthy and I spent an hour and a half with the parents sharing all sorts of information regarding next year and starting the transition process for the Kindy children.

Dates to Remember:

Friday 13th November – Year 3 Assembly

Best wishes for the coming fortnight.

WOOLWORTH’S EARN AND LEARN PROGRAM

Congratulations! We collected 33 660 points from our collection of stickers. The Woolworths Earn & Learn program has been a fantastic result for our school. We can now redeem our Woolworths Earn & Learn Points for new educational equipment.

The Woolworths Earn & Learn program provides schools and early learning centres the opportunity to earn new educational equipment. There are thousands of items available in the range including supplies for English, Science, Mathematics and Music, as well as Library Books and Sporting Gear. Our school’s focus is on Mathematics and our class teachers will select some Maths resources that will support the children in their learning. Thank you to the school community: Mums, Dads, Aunties, Uncles Grandparents and friends who have supported us by collect the Earn and Learn stickers. This is a great result.

WALK SAFELY TO SCHOOL DAY 13TH NOVEMBER

On Friday 13th November all students and families are encouraged to walk to school. During your walk, parents are encouraged to discuss road safety and stranger danger with their children to support our Protective Behaviours Program which is running in the school currently. As usual the coffee van will be available and the children will earn a faction token if they walk or ride to school.

This event brings to mind the freedom we enjoy in Australia and difficulties that other countries in the world are facing. In particular, we think of the refugee crisis in Syria and how our community could assist. All students are invited to donate a gold coin if they walk to school. Parents, if you would like to support this charity by making a donation on behalf of your family, we will be sending a donation to the Red Cross on behalf of the Our Lady of Fatima School Community. Thank you for your kind support. Sharon Law-Davis

VIRTUAL CLASSROOMS

In the process of delivering the Virtual Classrooms Activities in 2015, the Office of the Children’s eSafety Commissioner has become aware of two Apps that are causing quite some concern in school communities. These Apps are Animal Jam and Subway Surfer. One of the main concerns with these Apps is that they contain an in-built global chat facility. This facility enables anyone in the world to make contact with users of the Apps. The potential for children to be exposed to phishing scams, grooming and cyberbullying is substantial.

The Office of the Children’s eSafety Commissioner maintains an excellent resource page that assists parents to better understand these Apps amongst a range of others. This resource may be accessed at: https://esafety.gov.au/esafety-information/games-apps-and-social-networking

READING EGGS

Reading Eggs come to Fatima: As from next year, PP to Year 3 students will have access to Reading Eggs. They will have access through the school and have their own login. Parents will be charged a nominal fee through the school fees. If you have subscribed to Reading Eggs this year, do not renew your subscription for your child in these year levels as they will have access at school and at home.

PP to Year 3 classes have a trial of Reading Eggs till the end of the year.

Learning to read can be easy and fun!

Reading Eggs makes learning to read interesting and engaging for kids, with great online reading games and activities. And it really works!

Children love the games, songs, golden eggs and other rewards which, along with feeling proud of their reading, really motivate children to keep exploring and learning.

Remembrance Day Wednesday 11th November 2015

For Remembrance Day we had a production of "The Story of the ANZACS"

Lest We Forget

Some information about the production is below:

2014 - 2018
The Centenary of ANZAC
“So long as those Australians who understand the importance keep passing on the lessons our nation’s service men and women fought to teach us, we can remain justifiably hopeful. It is the responsibility of every teacher, parent and grandparent to share their knowledge of our history and help ensure the awful sacrifices of the past were not made in vain.”

-School Special-

“A show inspired by two WA farm boys, Milo- who enlisted in Nov 1914 and Walter- who enlisted not long after. These two young men both returned and later became Sydney’s grandfathers, and through Syd they recount tales of triumph and tragedy and their own personal legends”

This show is dedicated to mateship, multiculturalism, history and many Aussie traditions and icons born on the battlefields such as Waltzing Matilda, The ‘Coo-ee’, Billy tea, the emu plumes, our Waler horses and Anzac biscuits.

We have been touring schools Australia wide for more than a decade to present the essence of Australian history. With our own real “Duffy” the donkey and the rest of our four legged crew, we will inspire your students to delve deeper in to the foundations of what it really means to call Australia home.

This show holds educational value across your curriculum with topics applicable to:
History (tailored to suit all year levels from 1 – 12)
Social studies/ Society & Environment / Integrated Studies
English and literature (exploring Australian literature)

The Centenary of ANZAC show can be used as a platform for further discussion and education within the classroom. If you are focusing on a specific topic feel welcome to contact us to discuss ways that our show can be tailored to best suit your program.
