Dear Parents,

Happy St Patrick’s Day to everyone in our community, particularly our Irish friends, the middle of Harmony Week seems a perfect time to be celebrating such a significant day in our liturgical calendar.

**Harmony Week** activities have dominated our week at school as we celebrate the multicultural nature of our school community and the broader society we live in. Sharon Law-Davis has coordinated the activities in collaboration with some members of our P&F and some of the major events include: the **Life Education** van being on-site for the first half of the week, a session of **African drummers**, we will have an **Indigenous guest speaker** on Friday and the week will also culminate in a **shared lunch** in the classrooms and a **dress-up day** on Friday. Our focus portrays many important messages to our children in a fun and thought provoking way. My thanks to everyone who has contributed to what has been a very memorable week.

Over the past 2 weeks, some 140 children have pledged their commitment to one of the 3 **sacramental programmes** they will be participating in throughout 2015, those numbers being split between our school and the catechist programme facilitated in the Parish. These children, with their families pledged their commitment at one of 4 masses over the past fortnight. My sincere thanks to Lorraine Szefczyk for coordinating the commitment process. Father Francis has asked for a forum to apologise for some of the content he included in the homily during the Community/Commitment mass on Sunday 8th March. Attached to this edition of the newsletter is a letter Father Francis has written following some feedback he received from people who attended the mass.

Included in this edition of the school newsletter is a plan for the P&F driven **Playground Development** which will be commencing over the school holiday break, at the conclusion of Term 1. The planning of this **Playground Development** commenced more than 6 months ago and a sub-committee has been established including: Emma Spackman, Deirdre Westerhout, Virginia Bradshaw and myself, 2 members from the P&F executive and 2 members of the School Board. We will be making the proposed plans, details about the process we have undertaken, financial details and suggestions regarding parent assistance available in 2 different locations at either end of the school. The information will be displayed on a mobile pin-up board in the foyer and on the pin-up board above the water fountains overlooking the basketball court area. Please spend some time having a look at what we have planned, the end result for the children will be fantastic!

Our **school swimming** programme is coming to a climax over the last couple of weeks of Term 1. Congratulations to all the children from Years 3 to 6 who have participated in the swimming sessions before school, the numbers throughout the term have been fantastic and will provide a really good foundation for those children to perform well at the upcoming carnivals. Enormous thanks to Oz Celenza for going “above and beyond” to be at the pool ready to start these sessions at 7:30am and also the parents and Pauline Burwood for the support they have provided as well.
Good luck to all the children in Years 4 to 6 at our school swimming carnival tomorrow, we look forward to a morning of great participation in an environment filled with friendly competition. We will then prepare our team for the interschool swimming carnival on Friday 27th March and complete our swimming programme with the Aqua Splash carnival for children in Years 1 – 3 on Wednesday 1st April.

The Parent – Teacher interviews will take place on Tuesday 31st March from 12:30pm – 5:30pm after the school day concludes at 12 noon. All parents are encouraged to engage in conversation with the class teacher, particularly if they have not already done so, to find out how their child/children have settled into the new classroom environment this year. The interviews are strictly 10 minutes and we ask parents to abide by that time frame to ensure the appointments run on time.

We are implementing a new “booking” system this year for the interviews and invite parents to book the time that suits them on the afternoon of Tuesday 31st March. Every family will be emailed the link and a generic code they need to access the software package. To assist parents with more than one child, we will be sending the information out as follows:

- **Thursday 19th March** – email sent to families with 3 or 4 children at our school.
- **Friday 20th March** – email sent to families with 2 children at our school.
- **Monday 23rd March** – email sent to families with 1 child at our school.

I do ask that parents honour this process by not forwarding the information on to other families prior to the date in which they will receive it from school as we implement a process that we believe is as fair as possible.

Another opportunity to receive feedback about how your child/children have navigated their way through Term 1 in a different forum is the “Open Afternoon” we have planned for Thursday 26th March. All parents are invited to come into the classrooms at any time between 2:30pm and 3:30pm on that afternoon, to get a tour around the classroom from their child illustrating some of the work they have completed throughout the term.

**Dates to Remember:**
- **Thursday 19th March** – School swimming carnival at Melville Aquatic Centre from 8:45am – 12 noon (Years 4-6)
- **Friday 20th March** – Year 2 Assembly
- **Friday 20th March** – Harmony Day Dress up and Shared Lunch
- **Sunday 22nd March** – P&F Bunnings Sausage Sizzle
- **Tuesday 24th March** – Swimming Training
- **Thursday 26th March** – Open Afternoon 2:30pm – 3:30pm
- **Friday 27th March** – ASCS Interschool Swimming carnival
- **Monday 30th March** – Holy Week Palm Sunday reflection facilitated by Year 1’s and 2’s
- **Tuesday 31st March** – Holy Week Washing of the Feet reflection facilitated by Year 3 and PP
- **Wednesday 1st April** – Holy Week Holy Week reflection facilitated by Year 4’s
- **Thursday 2nd April** – Holy Week reflection Stations of the Cross facilitated by Year 5’s and 6’s
- **Thursday 2nd April** – Easter Egg Raffle

Best wishes for the coming fortnight.

**2015 FOOTY TIPPING COMPETITION**

Do you think you have what it takes to randomly guess who’s going to beat who each week at the footy? Then join our annual OLOF Footy Tipping Competition – you not only get the chance to win each week, but you’ll also make a worthwhile contribution to the P&F to help fundraise for our Playground Redevelopment this year. That’s a win-win situation if ever I’ve seen one!

It’s easy to register – click on the link [http://www.footytips.com.au/comps/OLOF_P-F_2015](http://www.footytips.com.au/comps/OLOF_P-F_2015) (password OLOF) and re-register if you’ve played before, or set up your registration if you’re a newbie. Then pay your $40 to Mrs Fic at the Office (cash, cheque [OLOF P&F] or EFTPOS) and you’ll get an automatic reminder every week to put your tips in. It’s easy!

Please contact Virginia Bradshaw on 0418 938 522 or virginiaandrob@ozemail.com.au if you have any problems.

Money needs to be in by the end of Term 1 so we can work out the prize money.

Good luck!

New Playground Development 2015/2016

After almost 6 months of research, planning and design, the P&F is pleased to unveil plans for a new playground on the main oval. These plans are included in the following pages. Steered by a P&F subcommittee and with contributions from the School Board, parents and teachers, the final plans reflect a nature-based, interactive playground with plenty of interesting features. The development has been mindful not to encroach too much on the existing grassed oval, while incorporating the needs of all students.

Design and Construction

The playground design plans have been developed by Josh Byrne & Associates, based on direction from the subcommittee. Copies will be on display in the school foyer and display board above the water fountains (near drive-through). The development of the playground has been guided by Ryan Healy of Phase 3 Landscape Construction, in conjunction with the subcommittee. Ryan has been an invaluable source of information and guidance on this project so far. We will look to the continued involvement of Phase 3 in the construction stages. The playground will take shape in two stages. Stage one runs the length of the south fence and includes elements such as tyre and rope balancing, talking tubes, a sandpit area, timber balancing discs and timber seating. Stage two is along the east fence line and has many more large scale elements visible on the plans.

The Funds

With such a great design in place the challenge now is to fund and resource the development. The new playground is costed at around $100,000; however we hope to complete it for much less with the help of volunteers and donations. This will keep costs down and the project manageable. The P&F has committed $25,000 and School Board another $25,000 over the next two years to the project. We hope to raise the remaining funds through fundraising and donations.

The Work

We would like to commence work on stage one during the April school holidays, but there are a few things we need first. We have listed some of these in our Playground Wish List (next page) and are calling on members of our wonderful Fatima community to assist if you can. Please consider how you can help us build this fantastic playground – something OLOF students can enjoy now and in years to come.

If you have any skills, supplies, contacts or products that can assist us, please contact Emma emmaregan@iinet.net.au or Deirdre world126@hotmail.com. Any help would be greatly appreciated.
Notice of change to PFFWA Constitution

The Parents and Friends Federation of Western Australia is proposing a minor change to their Constitution to alter the number of required general meetings each year from eight (8) to 4 (four). This change will be voted on at the Annual General Meeting on Wednesday 27th May.

Rationale for change:

1. The ability to communicate with Councillors between face-to-face meetings has become increasingly easier and more convenient
2. Councillors tend to be active on other committees within their school and community and one less meeting per term makes it easier for them to contribute to their other commitments
3. It assists both in time away from home and meeting the cost of travel for country-based Councillors
4. It still provides the ability to have more meetings should they be required

A detailed notice of the change can be accessed on our website, www.pff.wa.edu.au. Should you have any queries, please contact Shelley Hill, PFFWA Executive Officer on 9271 5909 or execoff@pff.wa.edu.au

**A note from the Community Health Nurse...**

Welcome to the new school year. My name is Jan Hutchison and I am the Community Health Nurse who visits your school.

Community Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of my work is focused on the School Entry Health Assessment program and early intervention.

Community Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. The services provided are free and confidential.

If you have a concern about your child’s health or development, please contact me on 93391362.

---

**IMMUNISATION**

Maintaining a high level of immunisation within our community is a key element to ensuring that we have very low incidence of vaccine preventable communicable diseases in Australia.

This is just a reminder that it is important for parents to make sure their children are fully vaccinated and have received all their childhood vaccinations. Parents/Guardians please make sure your school-aged child is fully immunised and that you have provided a copy of the ACIR immunisation record at front office.

Hi my name is Toby.
I am 11 years old and in year 6.

I first asked my mum and dad in Pre-Primary if could do the WORLD’S GREATEST SHAVE. They did not answer me.

This year when I asked them they said it was okay. So on the 12th March 2015 I shaved my hair as part of the WORLD’S GREATEST SHAVE.

If you would like to support my fund raising towards this great cause my donation page is http://my.leukaemiafoundatoin.or.au/Nohairtoby

Thank you
Toby
TO DEAR AND DUTIFUL RESPECTABLE PARENTS

My sincere apologies to you, our parents of Our Lady of Fatima School and Parish Community for the difficulty I must have caused each one of you in representing to your children the content of my homily on Sunday, 8th March at the commitment Mass.

I have received a few concerns from the parents who were present at that Mass. Although the content of my homily was with good intention and for the enrichment of our families, sometimes such matters as attached to the content, even with all its good intention and purpose, could easily present awkward situations between parents and children; the message then is lost because the context in which the message was first given by me was not initially adequately taken into account as highly sensitive.

In view of the myriad difficulties which families face today in our society, it is my promise to you that in future, in order to agree the best way of approach to these difficulties, we will all work together exhaustively to address any difficult situation either before its message is aired or transmitted to our children in the Church or in the homes or only in the homes.

Best wishes.

Francis Ughanze
